Comments sent by a Neighbour to Zaeem Majlis Morden Park.

Good evening Abdul,

Today's EID FESTIVAL celebration was a huge success and it was a pleasure to meet with you and your many friends.

A big 'thank you' to all involved and for the wonderful food so kindly provided. I felt some degree of guilt when talking with your 'chefs' while they were cooking in today's hot temperature. They did a fine job.....well done and thank you.

I was also impressed with the younger lads carrying out their various duties. So willing and so polite at all times. A credit to both them and to their parents.

A day to remember Abdul. A day that has brought us all closer together and increased our understanding.

Once again.....thank you.
