1. Surah Younus verse 17 shows that it is the time spent amongst his people before prophethood which is a sign for his truth

2. Surah Al Haqqah verses 45-47 shows that if a person wrongfully claims to receive revelation from Allah, his life shall be taken by Allah himself.

3. Surah Hood verse 63 presents the example of hadhrat Saleh as when he claimed to be from Allah, his people said that before this day you were a source of hope amongst us, similar to what happened to the promised Messiah (as).

4. Surah Hood 14-15 Allah claims that if the verses of the Quran are made up by a human then the enemies should try and bring only 10 such Surahs like the Holy Quran. The argument here is that the promised Messiah (as) through divine guidance also challenged his enemies that he will write a book and they shall write something in rebuttal, but they never dared and one who dared was Molvi Muhammad Hussain Faiz of Bheen he died in the initial phase of writing

5. Surah Room 42 and Surah Jummah 3 both indicate to the fact that the darkness of time required of someone to be sent by Allah almighty

6. Surah Al Anaam 22 this verse explains that if someone lies about Allah they shall never succeed, yet we see that the Jamat of the promised messiah as keep on growing

7. Surah Jinn 27-28 explains that Allah doesn't give the knowledge of the hidden to anyone but the one He chooses. The promised Messiah as foretold countless events that became true with time

8. Sura Jummah 4 this verse speaks about the people coming in the latter days that will meet the ones from the early days. When asked the Prophet saw explained that it will be someone or some people from the progeny of Salman Farsi (ra). As we know the promised messiah as was from the Persian descent hence fulfilling another prophecy

Majlis Carshalton

VILLAGE VISITS

Majlis Ansarullah Carshalton visited their allocated village of Banstead on Thursday 21 March 2024 from 10:00 AM to 12:00 pm.

The department of Tabligh of Majlis Ansarullah Baitul Ehsan region took an initiative to contact few councils of allocated villages for Majālis in the region and offered volunteer services to them. By the grace of Allah, Banstead Council gave response and linked us with Banstead Commons Conservators who take care of 1350 acres (550 hectares) of open green spaces and are comprised of four separate areas: Banstead Heath, Banstead Downs, Park Downs and Burgh Heath. The Banstead Commons are owned by Reigate and Banstead Council. Banstead Commons Conservators asked for our help to do some Waqar Amal at Park Downs.

Five Ansār from Majlis Ansarullah Carshalton along with other volunteers worked on Park Downs using bowsaws, loppers and tree poppers to remove a section of scrub from the top of Peacock's field to open up the area, which is called 'the pan handle'. This was done to connect two areas of species rich grassland and to improve the vista of the site for visitors. Peacock's field and the pan handle are species rich and in favourable condition. The area will be stunning when in flower and it will be rewarding to notice the difference this clearance work will make to the view.

We hope that activities like this can help us to make connection with the local authorities in the village and will help us to work together with the residents of our allocated village.

On this day's Activities 5 Ansar Waheed Ahmad sahib (Naib Nazim `Aala Majlis Ansārullah Baitul Ehsan region), Tariq Waquar sahib (Additional Nazim Tabligh Majlis Ansārullah Baitul Ehsan region), Mubarak Ahmad sahib (Muntazim Tabligh, Majlis Ansārullah Carshalton), Wasim Ahmad sahib and Tanveer Ahmad Sajid sahib participated.

These activities were also published on X (tweeter) from regional account.

"I bear witness that there is none worthy of worship except Allah, He is one and Has no partner. And I bear witness that Muhammad (sa) is His servant and messenger.

I swear by Allah and proclaim that I will always endeavour to convey and propagate the teachings of Islam Ahmadiyyat and the blessed name of the Holy Prophet (sa) to the corners of the earth. And for the sake of fulfilling this most sacred obligation, I shall forever keep my life devoted to the service of Allah the Almighty and His Messenger (sa). I shall give every possible sacrifice, no matter how heavy its burden, in order for the blessed flag of Islam to be raised aloft in every nation until the end of times.

I also solemnly pledge to strive with unyielding conviction to protect and strengthen the institution of Khilafat until my last breath. And I shall always urge my progeny to remain firmly attached to Khilafat and to seek its blessings, so that Khilafat-e-Ahmadiyya may remain protected until the end of times. And so that, through the Ahmadiyya Muslim Community, the propagation of Islam may continue until the last day. And so that the flag of the Holy Prophet Muhammad (sa) may be raised far higher than any other flag in this world.

O God, enable us to fulfil this pledge. Allah-humma Amin, Allah-humma Amin, Allah-humma Amin."
