**MUHAMMAD**  
**(Peace and blessings be on him)**

*Address by Khalifatul Masih The V (aba)*

*The Holy Prophet Muhammad (sa) taught that an Arab has no superiority over a non-Arab and nor does a non-Arab bear any superiority over an Arab. What Allah the Almighty loves is righteousness and so a person who performs righteous deeds will obtain God's love and nearness. Thus, if a person has any special value or status, it is due to his piety and his good conduct.*

# Islam in The West

**By HAZRAT MIRZA GHULAM AHMAD**  
**The Promised Messiah**  
**And Imam Mahdi (as)**

*We believe in the rising of the sun from the West, but it has been disclosed to me in a vision that the meaning of the rising of the sun from the West is that the Western countries, which from ancient times have been shrouded by the darkness because of their disbelief in Islam, will be illuminated by the sun of truth and will partake of Islam.*

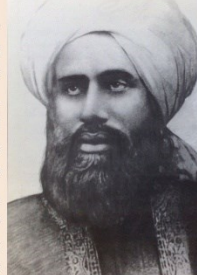

Izala Auham, Ruhani Khazain Vol 3 Page 376-377

### Day Third

Allah the Almighty who is also “Rabbul-Aalameen”, had made it a rule that, in beginning, only the poor and ordinary joined the Prophets and Messengers. While, as those who were called great and elite conjoined to oppose. They pooled up all their strategy and strength to obliterate and annihilate the chosen ones. But they, in the end, met their retribution and were levelled down. The men of God, with Allah's help and support, became ultimately triumph.

Day Four

**A Present to His Royal Highness the Prince of Wales**

By Hazrat Mirza Bashir-ud-Deen Mahmud Ahmad (ra)

Edward VIII (Edward Albert Christian George Andrew Patrick David) was officially invested as Prince of Wales in a special ceremony on July 13, 1911. Throughout the 1920s, Edward, as Prince of Wales, represented his father, King George V, at home and abroad on many occasions.

On one such visits, he arrived in India in December 1921 and returned to the UK in June 1922. During this visit, The Head of the Ahmadiyya Muslim Community at that time, Hazrat Mirza Bashir-ud-Deen Mahmud Ahmad (ra) presented the Prince a book with the title **A Present to His Royal Highness the Prince of Wales**, that he had specially written for this occasion, with 32,208 members donating 1 Ana (Indian currency) each to bear the cost of publication.

Day Six

**Salvation in Islam and Women and Equality**

By Hazrat Mirza Tahir Ahmad, Khalifatul Masih IV (rh)

**Question:**

In the speech it was stated that salvation cannot be monopolised. Why then does God say in the Holy Qur'an that "to God religion is Islam"?

**Answer:**

According to Islam, salvation depends on the truth of a person more than on what he believes. If he believes in something to be true with all his sincerity and honesty and there is no contradiction in him regarding his belief and his action then he would not be held responsible for his errors of judgement. This is the fundamental philosophy of Islamic teaching. At the same time, however, the Holy Qur'an declares:

**This day have I perfected your religion for you and completed My Favour upon you and have chosen for you Islam as religion. (Al-Maidah, 5:4)**

Day Eight

**Origins of the Glorious Fazl Mosque**

By HAZRAT MIRZA GHULAM AHMAD, The Promised Messiah And Imam Mahdi (ra)

*I saw (in a vision) that I was standing on a pulpit in the city of London and was setting forth the truth of Islam in the English language, in a very well-reasoned address. Thereafter, I caught several birds who were sitting upon small trees and were white, and their bodies resembled the bodies of partridges. I interpreted this vision as meaning that though I would not be able to travel to that country, my writings will be published among them, and many righteous English people will be attracted by the truth.*

Day Five

**Love For All, Hatred For None**

By Hazrat Mirza Nasir Ahmad Khalifatul Masih III (rh)

During his Khilafat, the 14<sup>th</sup> century Hijri of Islam came to its end. At the beginning of the 15<sup>th</sup> century, Huzoor (rah) said, "In the previous century I had given you two mottos; praise of God, and determination, which shall last until the Day of Judgment - but considering the added responsibilities in this century, I want to give you some more fundamental mottos - love and affection and service - if every person is ready to serve another then all discord can be erased from the world today!"

Day Seven

**FUNDAMENTAL OF PEACE IS LOYALTY TO THE COUNTRY**

By Hazrat Mirza Masroor Ahmad, Khalifatul Masih V (aba)

His Holiness Hadhrat Mirza Masroor Ahmad (aba) noted that loyalty to one's country of residence creates peace in society because it demands each citizen to fulfill their pledges, regardless of the difficulty involved. As the Holy Qur'an states:

**"And break not the oaths after making them firm" (16:92).**

Some fear that as a Muslim is primarily loyal to his faith, a Muslim may sacrifice the best interests of his country for Islam. But His Holiness noted that, in fact, sincere patriotism is a tenet of Islam. Prophet Muhammad (sa) stated, "Love of one's country is a part of faith" (Sakhawi).

Address delivered at the Military Headquarters in Koblenz, Germany, 30<sup>th</sup> May 2012

www.ukmuslimsforpeace.org @UKMuslims4Peace

Day Nine

**Star of the Empress**

By Hazrat Mirza Ghulam Ahmad, The Promised Messiah and Imam Mahdi (ra)

In this book, the Promised Messiah (as) has once again commended the British government for granting peace, security and religious freedom to all its subjects. He has then refuted the false doctrine of the advent of a militant Messiah and Mahdi, who according to some, would presumably, coerce the world into accepting Islam. Furthermore, he has also beautifully removed misconceptions surrounding the concept of Jihad and clearly expounds that Islam was never spread by the sword, nor is religious compulsion permitted in Islam.

"ہمارے اختیار میں ہو تو ہم فقیروں کی طرح گھر بہ گھر پھر کر خدا تعالیٰ کے سچے دین کی اشاعت کریں اور اس کو ہلاک کرنے والے شرک اور کفر سے جو دنیا میں پھیلا ہوا ہے لوگوں کو بچائیں اور اس تبلیغ میں زندگی ختم کر دیں خواہ مارے ہی جائیں۔"

### Guidance about Tabligh by

#### **HADHRAT MIRZA MASROOR AHMAD KHALIFATUL MASHIH V (ABA)**

While our Central Tabligh Secretary, Tabligh Secretaries of each Jamā'at, and other office bearers should be devising plans according to the circumstances. At the same time, it is also the duty of every Ahmadi to give time to this, whether they are part of Khuddam, Lajna or Ansār. *(April 20, 2018)*

It is also among the tasks of the Tabligh [outreach] department that they should considering the current trends – compile such allegations [that Islam teaches extremism, caused by so-called Muslim organizations and terrorists] and their rebuttals and make them available to the Jamā'at so that the maximum number of people may have intellectual and strong arguments at their disposal. *(September 8, 2017)*

Muslims who oppose us sometimes raise such allegations against the Promised Messiah (as), which, in response, can be used against other prophets, too. Thus, the Tabligh department should also compile allegations of this kind and their rebuttals and make them available to the Jamā'at. *(September 8, 2017)*
